### Are you an employer already registered with WorkplaceNL?

If so, this form is not for you. Please complete the *WorkplaceNL connect Application for Employers* located on our website [www.workplacnl.ca](http://www.workplacnl.ca) under forms. If you are not a registered employer, please review the following as the *Workplace Health, Safety and Compensation Act, 2022* requires all employers performing work in Newfoundland and Labrador (NL) to register with WorkplaceNL.

- ▶ An employer is a person or entity engaged in business employing workers or subcontracting work in NL. All incorporated entities operating in NL must register.
- ▶ Workers include full-time, part-time and casual workers and directors of incorporated companies. Coverage is mandatory for all workers, including the owners, directors, or managers, even if the owner or director is the only worker.
- ▶ Registration is required where a business subcontracts work in NL, even if the business has no workers.
- ▶ A non-incorporated entity is not required to register if the only workers are the proprietor or partners. They must register when they hire workers or subcontract work.

If you meet these requirements, contact us to register as an employer to use **connect** at 709-778-1291 or toll-free 1-800-563-9000. If you are not an employer, complete this form to set up your **connect** account.
