HOSPITALITY BUSINESS

Employees:

266 workers at three locations

Average assessment:

$115,000

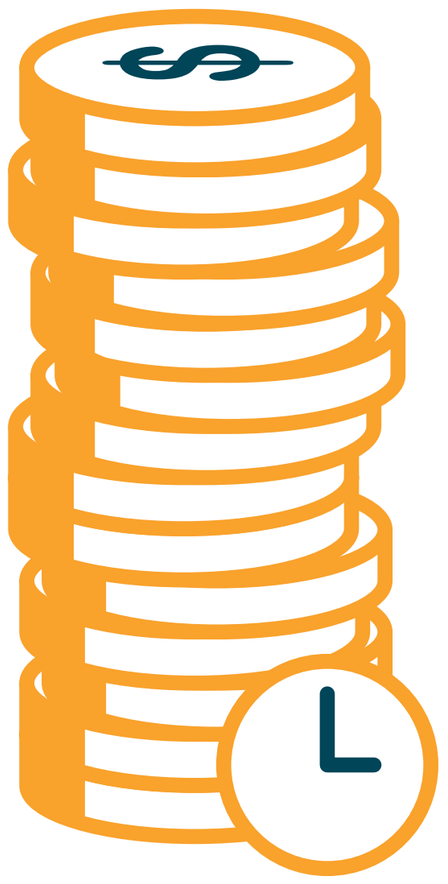

Refund:

$5,750 practice
\+ $14,500 experience

$20,250/year

Time investment to achieve refund:

- All three worksites require an OHS committee
- At two worksites, all committee members require training (each OHS committee has six members so, estimated training cost is $3,000 and two days of training for each committee member)
- At the third worksite, the OHS committee co-chairs require training (estimated training cost is $500 and two days of training for each co-chair)
- Re-certification training for all OHS committee members is free and takes approximately two hours every three years.
- Maintained a 15-element OHS program.
