

Summary of Policy and Procedure Revisions – October 2021 Updates -- Bulletin-27

This Bulletin provides a summary of recent policy and procedure revisions.

Entitlement

Procedure 23.00 Proportionment

Effective July 7, 2021, Management Committee approved the following revisions:

- Updated the process to ensure transparency for reviewing a proportioning factor, including standards for documentation, sequential steps and timeframes to complete the review and decision.
- Added an introduction for clarity and to increase understanding of the procedure's purpose.
- Updated the procedure wording using clear language and use of the active voice.
