Policy Number: **CO-02**
Subject: **Compensation Coverage – Workers In Labour Market Re-Entry Programs**
Chapter: **Coverage**

Policy Statement

A worker engaged in a labour market re-entry program is covered for compensation purposes in relation to an injury which arises out of and in the course of the program. The compensation rate will be the benefit level payable during the labour market re-entry program, or a higher rate where the worker was receiving earnings during the labour market re-entry program.

General

Costs of the claim will be charged to the Second Injury Relief Account.
