NOTES:

- (1) The Explanation of Terms is available on the Publications section of the main home page of www.whscc.nl.ca.
- (2) If you believe a worker's claim has been incorrectly charged to your account, please report this to the Commission immediately.
- (3) The injury cost of any claims displayed with "Claim #000000 Claim Correction" has been transferred to another employer's account.
- (4) The Experience Incentive Range for an employer is calculated when the employer provides payroll information to the Commission.
The comparison of actual claim costs to the experience incentive range may result in misleading results throughout the year for seasonal or cyclical operations.
