

## Summary of Policy and Procedure Revisions - June 2019 Updates -- Bulletin-18

This Bulletin provides a summary of recent policy reviews and updates.

### Entitlement Policies

As part of a regular policy review guided by [WorkplaceNL's Policy Framework](#), the following policies were reviewed for service delivery issues, impact on daily business operations, appeal trends related to unclear or inconsistent policy interpretation and for any required housekeeping changes:

- **EN-09, Child Dependency Benefits**
- **EN-10, Interest on Delayed Compensation Payments**
- **EN-13, Occupational Chest Disease**
- **EN-16, Scleroderma**

As a result of this review, the following policy updates are effective May 7, 2019:

#### **EN-09, Child Dependency Benefits**

- an update to the reference section; and minor grammatical edits.

#### **EN-10, Interest on Delayed Compensation Payments**

- an update to the reference section.

#### **EN-13, Occupational Chest Disease**

- an update to the reference section.

#### **EN-16, Scleroderma**

- an update to the merits and justice section; and reference section.

The next policy review date for each of these policies is scheduled for May 1, 2024.
