Did you know?

Employers have a responsibility under the Occupational Health and Safety Act and Regulations to take appropriate measures to protect workers.

A hearing loss-related claim is a claim that results in deafness, hearing loss or impairment due to employment.

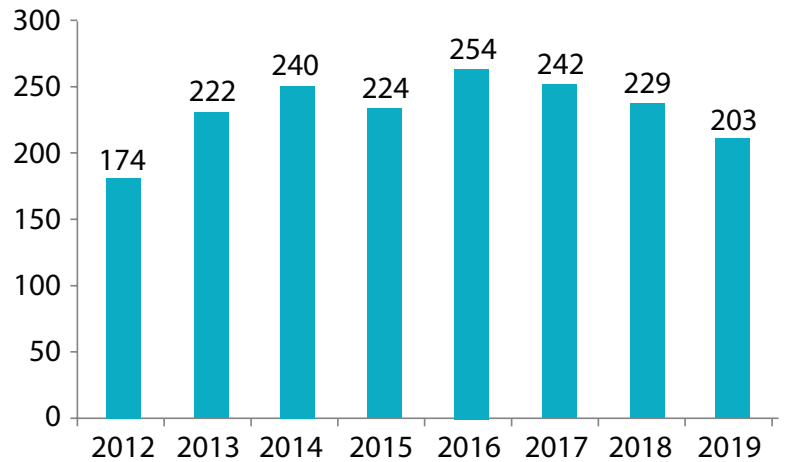

Hearing loss-related claims by age group

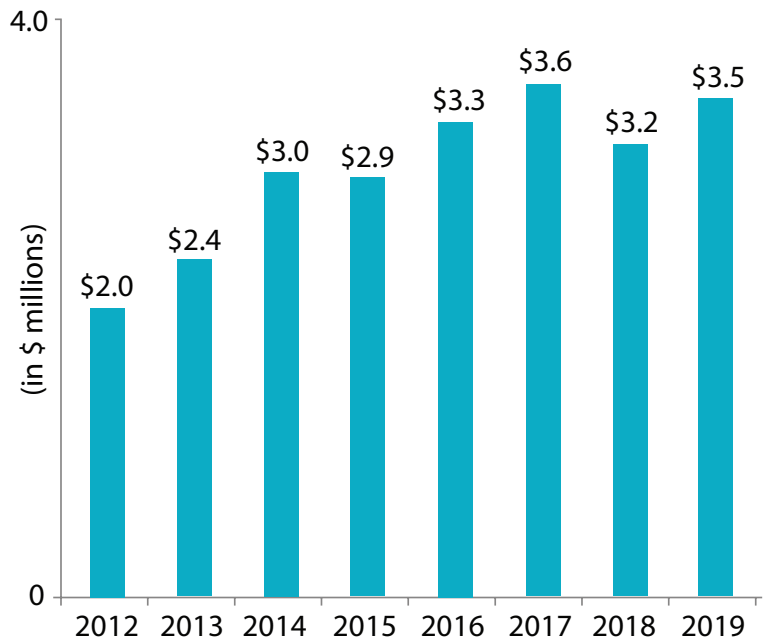

Between 2012 and 2019, 4 out of every 100 accepted claims were hearing loss-related. Approximately 54% of all occupational disease claims are hearing loss-related. Deafness, hearing loss or impairment is normally not instantaneous, but gradual.
