Question:

Please confirm if Intellectual Property developed to build this solution becomes the property of WorkplaceNL.

WorkplaceNL Response:

Paragraph 10 of the WorkplaceNL Standard Terms and Conditions states "All materials, data, designs, plans, drawings, specifications, research, reports, notes, estimates, summaries, calculations, surveys, papers, completed work, and work in progress and

such other information and materials or parts thereof as are compiled, drawn and produced by the Contractor in performing the Services, including without limitation computer printouts and computer models and all copyrights thereto and all patents, trademarks and industrial designs arising therefrom are the sole and exclusive property of WorkplaceNL and the contents thereof are privileged and confidential.”

WorkplaceNL recognizes that there may be some solutions for which it will not be reasonable for WorkplaceNL to seek an ownership interest. Therefore, depending on the proposed solution, paragraph 10 may require amendment which will be negotiated between WorkplaceNL and the successful bidder.
