Policy EN-10 Interest on Delayed Compensation Payments

Effective June 27, 2024, the Board of Directors approved the following revisions:

- Added the lump-sum Retirement Benefit introduced in 2019 to the list of benefits that are not subject to interest for delays in payment;
- Removed the Dependent Child Monthly Allowances from the policy as this is a legacy benefit that was eliminated in legislation in 1996;
- Added a section for “Merits and Justice”
- Updated the “Reference” section to reflect the new additions noted above; and
- Completed edits throughout for clear language.
