

## Summary of Recent Policy and Procedure Revisions

This Bulletin provides a summary of policies and procedures recently revised, rescinded, reviewed or introduced.

### Review Process

#### **Procedure 72.00 New Information**

Effective October 1, 2024, Management Committee approved this new Procedure to outline the process for managing new information that is received during an internal or external review of a WorkplaceNL written decision. The procedure ensures timely consideration of the new information to avoid delays in the review processes, and serves as a reference to Policy AP-01 Internal Review.
